What's happening at your school... Read on...

Dear families, we have had another wonderful week in school. Our children have been excellent since returning from the Bank holiday. As we move forward, lots of clubs have now started and the potential introduction of our music service has roused a lot of attention - this will be amazing! Children can learn to play the clarinet, flute or saxophone for a minimal cost. It was also exciting to see all the yellow hats and monitors out and about this week. Next up is the house captain voting-let's find our new house leaders!

Our celebration of outstanding learning at Edge Hill Academy.

School jumpers and cardigans

We are making our children aware of the importance of looking after their own property. Lots of jumpers are being left on the playground with no names on and we understand these cost a lot of money to replace.

Pokemon cards and other property:

We are loving the cards that are coming into school for the children to look at. However, we will be telling children not to swap any of these cards as we are finding that after swapping they want the cards back and are falling out.

P.E and Games information

Outdoor P.E day (Games)

We have adapted some routines in school to ensure we can be as effective as possible in every curriculum aspect.

Therefore, once a week, on your child's outdoor P.E day (Games day) they will get changed into their P.E kits and then come home in their kit. This ensures that we can maximise our P.E learning time which children enjoy so dearly. The year groups will complete this as follows:

Year 3: Monday

Year 4: Wednesday

Year 5: Thursday

Year 6: Tuesday

This will only be once a week and will ensure they have full enjoyment of their session and can be completing P.E for as long as possible.

Breakfast Club and After School Care Club

We are working hard to recruit staff for the after school care club. We have another advert out currently and are hoping that we can recruit and get this started as soon as possible. Once we have a start date, we will let you all know. Thank you for your patience.

**Have a great weekend and
see you all on Monday!**
