Re: Parent Survey: Edurio

Dear Parents / Carers,

At Edge Hill, we work extremely hard to ensure communication is effective and worthwhile to develop the home / school relationship in order to achieve positive outcomes for all of our children.

As a school, we endeavor to ensure effective communication with our parents through the Facebook feed, regular newsletters, termly curriculum updates, texts and emails home, website links, invites to parental events including termly parents' evenings, celebration assemblies, forest school visits, reading workshops, parent lunches and afternoon teas. In addition to this, senior staff are always on the gate in the morning and during the evening to support day-to-day communication.

However, our Trust is now working with Edurio Survey platform as an additional communication channel where your voice can be heard.

To complete the survey, please click here: <https://edurio.com/poll/uM7qeh>

Surveys are completely anonymous and confidential and the responses will be aggregated for the purpose of analysis. The survey needs to be completed in one sitting and will be available **until 15th March**. It should take no more than 15 minutes to complete.

Your opinion is greatly appreciated. If you have any questions, please get in touch.

We look forward to your feedback.

Very best wishes,

Simon Russell
