What's happening at your school... Read on...

Dear families,

We hope you had a wonderful Easter and managed to have a break. We have another busy term including the SATs taking place for our year 6 children. We still have lots of clubs taking place in school as you could see from the end of term newsletter. Make sure your child gets involved as best they can. Have a great Bank Holiday all!

Edge Hill Academy.

Lost Property

We are continuing to accumulate a large amount of lost property in school from children leaving coats and jumpers on the playground or forgetting to take items home. We continue to remind our children about this but it really would help if items were labelled so that they could be given to their owner.

What's happening in our World?

We are wanting to ensure our children are aware of what is happening in the wider world therefore we are looking at lots of topics linked to current affairs. Please look at this week's question and discussion on the reverse of the newsletter.

How do you learn best?

In the news this week

An educational television programme for young people in Afghanistan has been launched by the BBC. The TV show has been created to help children, who have been banned from going to school in the country, and is aimed at children aged 11 to 16. The Taliban group, who took over the country in 2021, have stopped girls over the age of 11 from attending school. The weekly programme is called Dars, which means 'lesson' in Afghanistan's official languages.

Things to talk about at home ...

- Share your thoughts on the new TV programme for young people in Afghanistan.
- Thinking about how you learn, what is your preferred way, e.g., by listening, writing, doing?
- In what ways would your life be different without school?

Please note any interesting thoughts or comments
