What's happening at your school... Read on...

Dear families, this week we have had year 6 SATs. Well done to all the children who undertook the tests — you must be very proud of your efforts. Thank you also to the staff for supporting these tests. We would also like to thank you all for your support with our attendance. We are currently at nearly 96% which is excellent! This means our children are receiving lots of learning...

### WALK TO SCHOOL WEEK 15-19 MAY 2023

Next week sees us take part in Walking to School week. The benefits of walking, cycling and scooting the journey to school are well known. Pupils who travel actively can arrive brighter and more alert, ready for learning.

Each day, the classes will total how many children have walked to school. We will then announce the result in Friday's assembly. The winning team will receive a trophy for being the most active class!
