A Message from Mr Russell

As another fantastic year at Edge Hill comes to a close, I would like to sincerely thank all our parents and carers for your unwavering support. Together, we have celebrated so many achievements, such as this year's SATs results, and created wonderful opportunities for our children to Believe and Achieve, Shine Everyday.

Thank you for being such an important part of our school community. We are incredibly proud of everything our pupils have achieved this year and grateful for the partnership we share with our families.

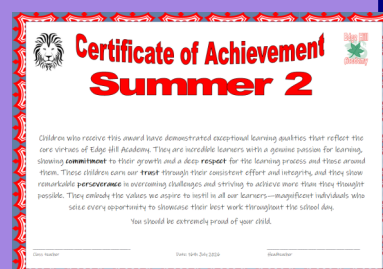

Wishing you all a happy, restful and well-deserved summer break. See you on the September 2nd.

Best Wishes, Simon Russell *Headteacher*

Summer Safety

Child Death Prevention Newsletter

This newsletter is designed to raise awareness of the work of the Stoke-on-Trent and Staffordshire Child Death Overview Panel (CDOP) and to bring news on our ongoing campaigns.

Summer Safety

Tragically, there have been deaths of children from Staffordshire and Stoke on Trent as a result of.....

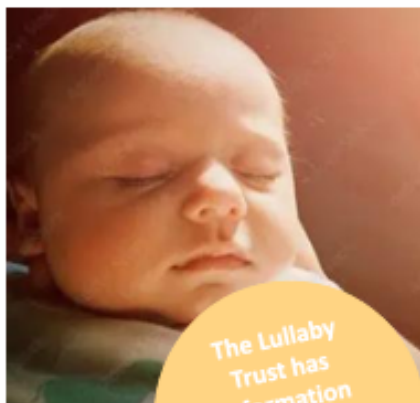

Drowning

Young people can be drawn to open water - weirs, quarries and canals are not safe places to 'hang out', swim or play. **Don't take risks around water.**

Watch children when they are in or around water, without being distracted.

For water safety advice go to RLSS.org

The Lullaby Trust has information on 'safer sleep on holiday'

Unsafe sleeping environments

Follow safer sleep guidance **for every sleep**, both daytime naps and overnight. Maintain safe sleep routines when on holiday, staying with friends or family. Plan sleeping arrangements in advance. **Consider where your baby will be sleeping** and if you need to take a travel cot.

Road traffic collisions

Check and follow local driving laws when travelling abroad. **Children should be properly restrained in appropriate car seats** while travelling in a vehicle. Many airlines allow child car seats to be transported free of charge or when abroad there are usually car seat hire options. Take extra care when walking near roads, particularly in unfamiliar areas where traffic patterns and road rules may be different from those in the UK.

The AA has essential driving advice in Europe on their website, and for information on car seats go to issuu.com
